### Technical information

**Appearance:** Coloured Liquid

**Smell:** Lemon, Orange, Pine, Ocean

**Water solubility:** High

**PH (conc):** 10

### Usage instructions

**Dilute usage - cleaning floors, walls, work surfaces and equipment** - Dose 60ml per 5L of Water, no need to rinse. For large floor areas use a mop or similar suitable device.

**Neat Usage - For stubborn stains** - Apply neat, then rinse. For heavy soil leave for 1-2 minutes then rinse.

Do not use on porous surfaces. Avoid prolonged contact with plastic, aluminium and painted or varnished surfaces. Do not use neat on aluminium or linoleum. If in doubt test product first on a small hidden area.

### Usage aids

30ml dosing pump, squeeze bottle (for neat usage).

### Cautionary guidance

Product is not classified as hazardous.

**Eye contact:** In case of contact with eyes, rinse thoroughly with plenty of water for at least 15 minutes. If symptoms persist, seek medical advice.

**Skin contact:** Rinse affected area thoroughly with water. If needed apply cold compress to relieve irritation. In case any irritation persists, discontinue use of the product and seek medical advice.

**Ingestion:** In case of ingestion, drink water to dilute product. Do not induce vomiting. Act immediately to prevent further irritation. If symptoms persist, seek medical advice.

**Inhalation:** If irritation should occur, rinse mouth and throat with water and move to fresh air. If any irritation persists or asthma-like symptoms occur, seek medical advice.

Safety data sheet available on request.

### Storage requirements

Store in a cool and dry area.  
Provide sufficient ventilation.  
Stable under normal conditions.  
Do not store below 0°C.  
Keep out of reach of children.

### CHIP/Classification

Product is classified as irritant.

### Pack Size

2L or 5L

### Pack Type

Plastic bottle.
