# RSB150NX

RucSac Battery Vacuum

## Why Buy RSB150NX

### **Clean**Care

Perfect working position

Cool and comfortable

Lower-back support

Handy tool storage

Simple height adjustment

Perfect fit

The Pro Harness offers enhanced

operator comfort, increasing cleaning efficiency, capability and productivity,

without any uncomfortable distractions.

Reduce strain

Equipped with our new NX300 36V Battery Technology and 350W digital brushless motor, the RSB150NX is engineered to deliver our most powerful cordless cleaning yet.

Delivering up to 80 minutes of cordless freedom, a 40% increase in airflow and suction, and maximum user comfort, the RSB150NX provides optimum cleaning productivity with powerful and professional cleaning results.

### **Cordless Freedom**

Market-leading 80 minutes of consistent and powerful cleaning performance.

### **Powerful Cleaning**

40% increase in airflow and suction with new, high-performance 350W digital brushless motor.

### One Fits All Productivity

The NX300 Pro Cordless Network brings the convenience and performance of professional cordless cleaning across our growing battery range.

### **Extended Long-Life Power**

Made for the long haul, the NX300 Battery won't let you down, engineered and tested for commercial use delivering up to 2500 charge cycles. A 3-year battery warranty provides complete peace of mind for you and your Pro Cordless Network.

### Safer Cleaning

With no cable, minimise the risk of slips, trips and falls. Ideal for day cleaning and public areas with high footfall.

### **Ultimate User Comfort**

Ergonomically designed, adjustable harness increases comfort, supports correct posture and reduces fatigue.

### **Total Control**

Integrated hand control and handy tool storage for quick access on the move.

# Features Breathable mesh panel Adjustable harness Waistbelt tool storage Easy battery change
