Numatic

Compact, considered and capable... the NuKeeper Single series will always be a welcome addition where space is at a real premium.

Every single feature within the NuKeeper Single series (NKS) is focused on efficiency and capacity. Each NKS unit is equipped with space saving Flexi-Front system, folding laundry bags, corner buffers and heavy-duty 360° castors, rising to the challenge of tight corridors and elevators. The NKS Low Level (LL) offers a solution when greater visibility during transit is needed.

Built to Last

Unique Structofoam construction using co-polymers for high-impact strength.

Sustainably Engineered

Made from high-quality recycled plastic using ReFlo Technology.

Easy Access

Equipped with space-saving Flexi-Front system for easy compact access.

Increases Productivity

Perfect for large amounts of linen and supplies.

Total Uniformity

Provides professional approach to integrated system planning.
