

APPLICATION

Maintenance for stainless steel.

- Ready to use formula.
- Cleans stainless steel surfaces and gives them an attractive gloss.
- Cradle to Cradle.

Inox Polish is an ecological polish for professional use. This product is recommended for cleaning and protecting objects and surfaces made from stainless steel, such as refrigerators, freezer doors, transport carts, dishwashing machines, etc. Do not use this product on surfaces that come into contact with foods, such as worktops. Inox Polish is free from chlorine compounds, other halogen compounds, and petroleum-based surfactants. All surfactants used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully biodegradable.

INSTRUCTIONS FOR USE

Use undiluted. Rub with a clean, dry cloth to achieve an attractive gloss. Do not rinse.
