Product features

- Ideal for busy office environments, to help disinfect, sanitise and clean. This multi-purpose wipe is perfect to clean handles, surfaces and more for agile working and hot desk environments.
- Our wipes are made from FSC certified biodegradable bamboo fibres (instead of non-biodegradable, ocean-polluting polyester or hard to biodegrade viscose); dermatologically tested, proudly vegan and never (ever) tested on animals.
- Made in the UK, to help lower the carbon footprint of the product.
- Packaging made with 30% waste plastic and can be recycled.
- Manufactured to meet anti-bacterial and anti-viral standards EN 1276 and EN 14476.
- Effective against viruses such as Poliovirus, Norovirus, and Influenza A; and bacteria such as P. aeruginosa, E. coli, and E. hirae.
