OPTIMAL CLEANING

DEEP CLEANING

- The probiotics remove grime and organic dirt, even deep in the surface, leaving you with a noticeably cleaner surface.
- As the probiotics continue to function for days after cleaning, the effect of these products is long-lasting.
- The probiotics prevent the build-up of organic material on surfaces and in drainage pipes.
- Meets stringent quality requirements, tested by EU Ecolabel.

COMBATS ODOURS

- Combats existing odours and prevents new ones building up.
- Actively absorbs odour molecules.
- Removes substances that other micro-organisms can turn into odours.

WITH ENVIRONMENTAL BENEFICIAL EFFECT

- 100% natural micro-organisms.
- Once these products have been used, when they re-enter the environment they actively contribute to water cleaning and maintaining a natural microbial balance.
- EU Ecolabel and Cradle to Cradle Certified™ Gold.

SAFETY

- Very safe to use.
- No hazard symbols (CLP legislation).
- The products obtain the highest possible score for 'material health' according to the Cradle to Cradle criteria.
